Superior Electric of Lansing  
212 W. Sheridan Road  
Lansing, MI 48906

Dear Dan,

It is with a grateful heart and full belly that I write you this note. Thanks to Cary Swartz and Superior Electric, we had a wonderful luncheon on Friday, June 8<sup>th</sup>. The willingness and organization put forth to bring everyone together to "break bread" was an enjoyable event in what is otherwise a very stressful time for the teaching staff.

Employees like Cary are assets to any company, and we just want to tell you that we appreciate all of the support and hard work from him and all of your staff.

Sincerely,

A handwritten signature in blue ink that reads 'Brian S. DeRath'.
